

→ Costs

Prices – Students and employees of the Bildungscampus Heilbronn and the Campus Sontheim have a total of fifty campus bikes exclusively available for 120 minutes per ride for free (rental period including stopovers). Starting from the 121st minute, every additional half hour started is charged 1.00 euro.

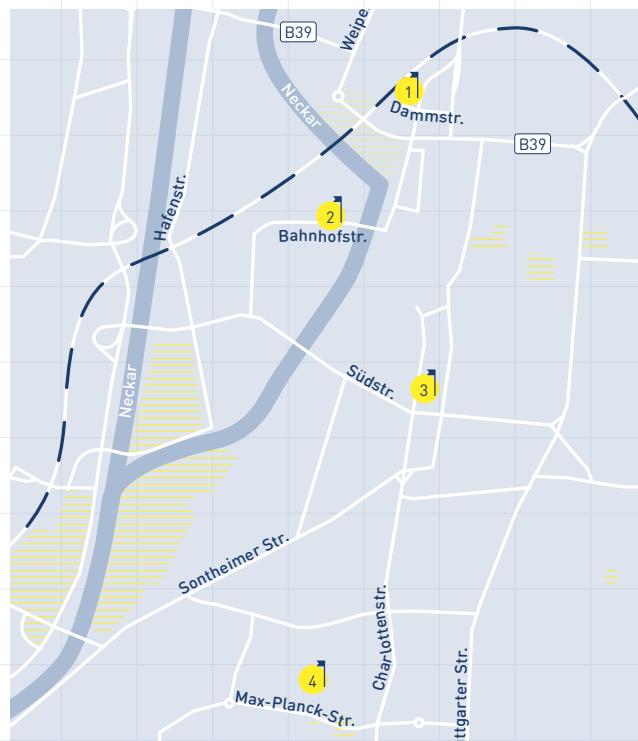

If the CampusRad rental bike is not taken back to one of the four rental stations at the end of the ride and is left at a different location instead, a service fee of 10.00 euros is charged by the Deutsche Bahn for the return transport.

→ Locations

There are four rental and return stations where the campus bikes can be rented and brought back. These CampusRad bike stations are marked by small flags in the app's map.

If the CampusRad bikes are not returned to one of the four stations, a service fee of 10.00 euros will be charged by the Deutsche Bahn.

→ How it works:

Bike sharing with CampusRad Heilbronn makes it possible for students and employees at the Bildungscampus Heilbronn as well as Sontheim campus to travel through the city in a smart and environmentally friendly manner. The stations for the total of fifty blue bikes can be found at four locations throughout the city of Heilbronn – see → [Locations](#).

The bikes can be rented and brought back to the rental and return stations flexibly for up to 120 minutes per ride (including stopovers) free of charge.

An inexpensive and emission-free way of travelling between the campuses in Heilbronn.

fit, mobile & ecofriendly –
all of this with
CampusRad Heilbronn!

→ Procedure & registration:

Register – In order to be able to use the offer, students and employees at the Bildungscampus and Campus Sontheim have to first register for free at our cooperation partner Deutsche Bahn:

→ callabike.de/anmeldung/CampusRadHeilbronn

Here you have to select the **corporate rate** ("Firmenrate"; provide your **CampusCard ID**, **matriculation number** or **personnel number**). In the next step, an email with the personal customer account number and an initial password is sent to your contact details.

Install app – In the second step, download the Call-a-Bike app from the Google Play Store or the App Store and install it on your smartphone. Registration in the app is very simple: Use the information that you received when you registered. Then you can reserve and rent bikes at any time through the app.

Rent – Each bike has a 5 digit number – just enter it in the app and you will receive the opening code. The opening code is entered in the bike's display. Unlock the CampusRad like this: Press the red button, unlock the bike – and set off!

Break – You can take a break from your bike ride at any time. To do this, lock the bike with the lock on the back wheel of the bike. When taking a stopover, answer the corresponding question on the display with "yes". To unlock the bike again, use your personal code and press the red locking button on the bike lock. The opening code is always available in the customer section of the Call-a-Bike app.

Returns – Bikes can be returned to any of the four stations. Just park the CampusRad bike at the rental station, press the red lock button on the lock and push down on bar.
