→ Our Locations at a Glance

Whether you're holding a conference, a workshop, or a special business occasion, our three first-class event locations offer maximum flexibility and state-of-the-art technology in a central location. Create unforgettable moments and make your event a highlight for your guests.

AULA

The representative construction is available for a versatile range of events. Whether it is a sensational show event, an academic congress, or a festive reception, the event center fulfills the highest expectations for any sort of event in terms of technology and space.

- *Capacity: up to 514 people*
- *Suitable for: Show events / conferences / galas*

CONFERENCE AREA

The state-of-the-art conference area, comprising six conference rooms and two innovative creative rooms, is located on the top floor of the AULA. Mobile dividing walls, flexible furniture and versatile presentation elements offer individual scope for meetings, networking and trend-setting workshop formats.

- *Capacity: up to 160 people*
- *Suitable for: Conferences / meetings / workshops*

FORUM

The inviting atmosphere of the FORUM is characterized by a glass facade suffused with light, exposed concrete and parquet flooring. The versatile space provides the ideal conditions for small to medium-sized event formats. Thanks to a space that can be configured flexibly, with customizable room division and modern equipment, events can be adapted perfectly to meet different requirements.

- *Capacity: up to 400 people*
- *Suitable for: Workshops / conferences / presentations*
